

# Deep rooting resilience - Mapping a future for the Zeeuws-Wase bossen

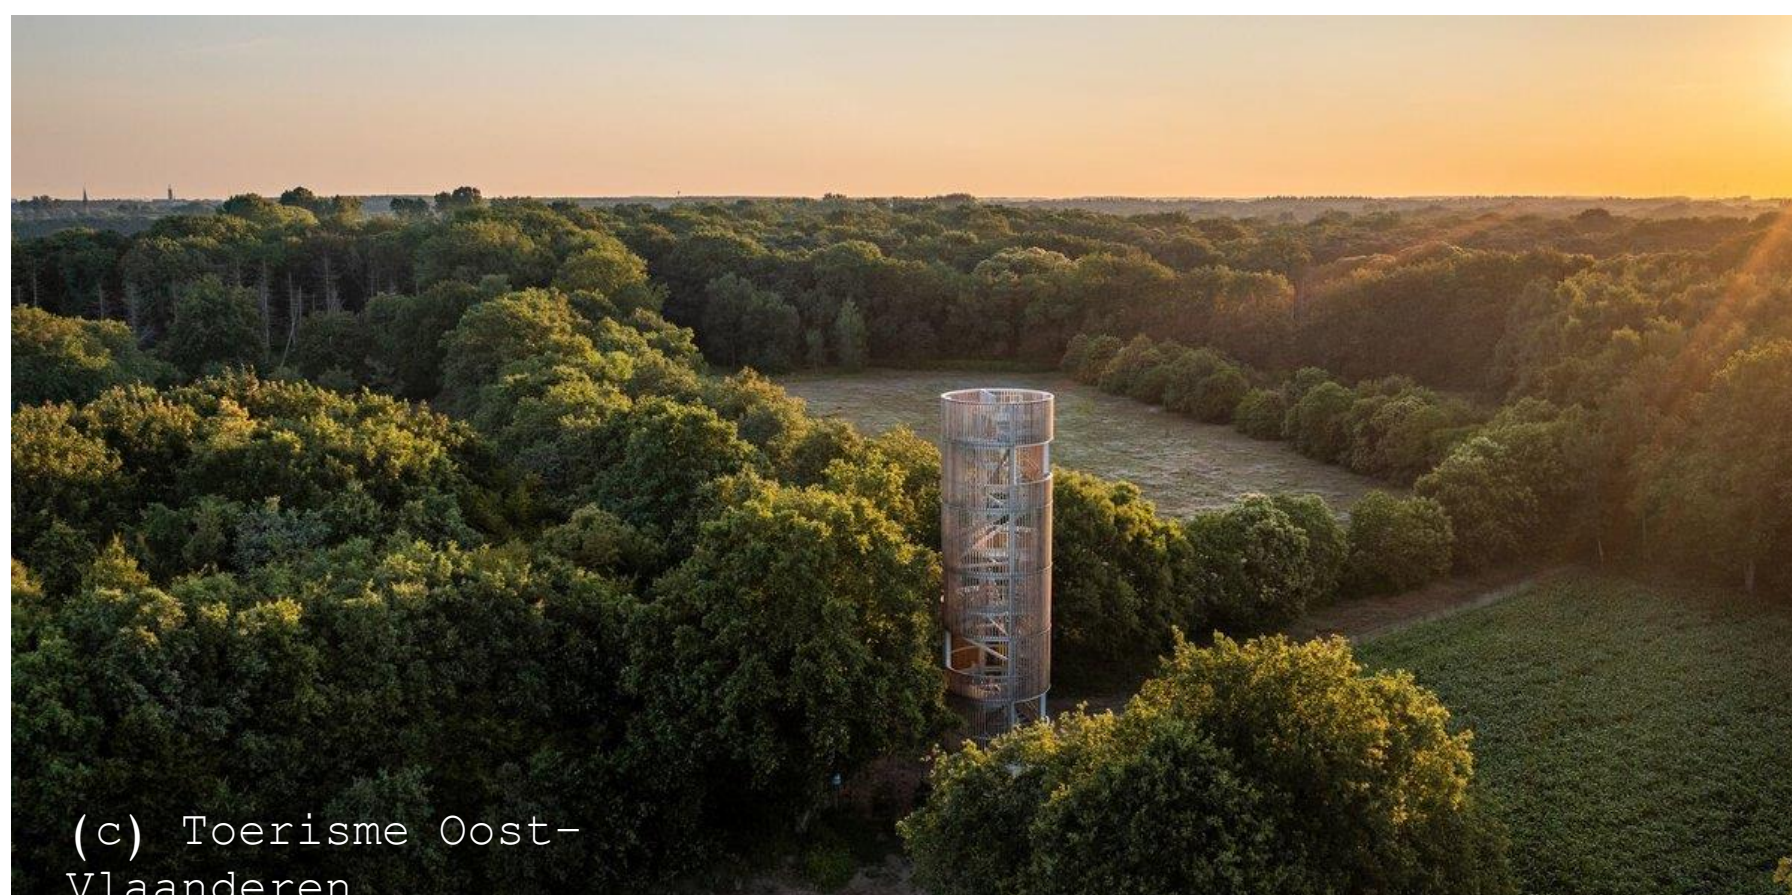

BELGIUM /  
THE NETHERLANDS

## PARTNER

EGTC Linieland van Waas  
en Hulst

BE/NL - EGTC Linieland van Waas en Hulst

(c) Toerisme Oost-Vlaanderen

## OBJECTIVES

- Develop a joint cross-border vision based on identity and challenges
- Create a lasting and wide coalition through ownership
- Lay the foundation for future investments

## RESULTS

- Developed a cross-border governance structure
- Budget quadrupled with partners as initial investment for developing the integrated regional vision
- Approved roadmap towards an integrated development vision
- First sets of knowledge exchange
- 5–10 years perspective to operationalise vision through project development

## KEY LESSONS

- Start small, scale up
- Engage in co-creation from the start wherever possible
- Engage and involve existing processes
- Reflect on cross-border thinking
